Academic Project accomplishment:

```
Title of Project              : Gas Agency Management
Duration                      :  March 2010 to September 2010
Team Size                     : 4
Technology used               : Java and Oracle
Description                   : In this project, my role was to design Software Requirement
                                 specification and

Title of Project              : Online shopping system
Duration                      : March 2012 to September 2012
```

Team Size	: 2
Technology used	: Php and mysql
Description	: In this project, my role was to design database schema

Title of Project	: Implementation of Cloud storage Security Mechanism
Duration	: December 2014 to July 2015
Team Size	: 1
Technology used	: Triple DES algorithm, Digital signature, Java, Open shift Red Hat
Description	: In guidance of Supervisor Ass. Prof. Dr. Tulika, I completed this project and I did everything in this project.

Title	**Part Time Instructor**
Designation	Part Time Instructor
Posting Unit	Upper Primary School Tignauta and Birwal
Team size	5
Duration	15 Jan 2014 to till date
Environment	WINDOWS
Description	Teaching with Technology and solving system related issue in block level
Responsibility	• Worked as Part Time Instructor for allocated school and responsible for teaching quality education to class 6th, 7th and 8th. Worked all technical pro. • Responsible for Installation of Application and Query Processing in Prernaup portal • Responsible for centralized information management services over ehrms portal • Responsible for manual test execution for performance evaluation of system monthly of computer System • Responsible for triaging/debugging to route cause failing software components. • Active participation in organizing weekly meetings, team meetings and review meetings via Google meet for teachers and trainers.

Title	**Technical Support Engineer for online and offline technical solution**
Designation	Technical Support Engineer
Client Name	Alstom T & D India Limited
Team size	5
Duration	14 Feb 2012 to 27 March 2013
